**Barrhill**

Dear Sir/Madam,

### **B7027 KNOWE ROAD BARRHILL – CARRIAGEWAY RESURFACING WORKS**

Carriageway resurfacing works have been programmed to be carried out on the above road as shown on the plan overleaf.

Works are scheduled to begin on **Monday 5<sup>th</sup> September 2022** and are anticipated to last for 10 Days, however I should advise you that the work is weather dependent and unforeseen difficulties could result in a delay. Our intended working hours will be **0800-1700hrs** each day. Every effort will be made to minimise disruption where possible

Access to properties within the works site will be restricted during the working hours, but access from both directions may be maintained when safe to do so.

#### **Emergency Vehicle access will be maintained at all times.**

Protecting the safety and wellbeing of employees and local residents is of the utmost importance. Therefore vehicle access to properties within the affected area will be strictly prohibited while resurfacing works are in progress. It would be greatly appreciated if vehicle journeys within site limits are avoided or minimised to allow operations to proceed as quickly as possible.

I would appreciate your co-operation in this matter but please do not hesitate to contact me at the above address and telephone number should you wish to discuss this matter further.

Yours faithfully

A. Kamau
